Kevin Nathaniel Arsenal

WEB DEVELOPER

PROFESSIONAL SUMMARY

A dedicated Web Developer with a background in Electronics Engineering, I bring a unique blend of skills and experience to the table. With half a year of hands-on experience as a Junior Developer at a local startup and one year of remote front-end development for an overseas startup, I have honed my ability to deliver high-quality solutions in a fast-paced environment.

WORK EXPERIENCE

FRONT END DEVELOPER – GLOBMOBI (REMOTE/DUBAI)

June 2023 - Present

- Transformed design mockups into visually appealing Rich Media Creatives (HTML, CSS, Javascript, jQuery)
- Added additional features to existing company website (Laravel, PHP, Bootstrap)
- Refactored existing company template for creating Rich Media Creatives, resulting in a much cleaner code and faster development
- Translated detailed Figma designs into a fully functioning Wordpress website using Elementor

JUNIOR DEVELOPER – MOONE (HYBRID/DAVAO CITY)

June 2023 – October 2023

- Translated design mockups into an interactive web application using Next.js
- Created modular and reusable React components in Next.js, promoting code reusability and maintainability across the application
- Participated in Agile software development process and weekly meetings

OTHER QUALIFICATIONS

- Licensed Electronics Engineer
- Licensed Electronics Technician
